## Hello, I'm Gabrielle!

Inspired by art and design, I am a coder, designer and leader with a vision for an artistic digital world!

### Education:

Rutgers University Bachelors | Present  
Art | Visual Arts and Media {Minor: Computer Science}

Rowan @ South Jersey Associates | 2020  
Computer Graphic Arts

### Gabby Designs

**Founder | Nov 2018 - Present**

Established freelance business that serves clients seeking UX/UI design, website development, website maintenance, and software development. Management of multiple projects that include custom Wordpress themes, e-commerce websites, designing user interfaces through prototyping software, developing small software projects to maintain.

### Hopeworks N Camden

**Senior Web Development Intern | May 2016 - June 2017**

Responsible for helping Web Director deliver websites to clients through Wordpress and Squarespace using HTML, CSS, Javascript, PHP with content layout and design. Led strategies for website mockups and wireframes through creative programs such as Adobe Suite, Sketch and Figma. Helped Web Director train interns in using Wordpress, CSS, and HTML as well as training clients on how to maintain their websites once websites are completed.

### Skills:

HTML, CSS, Javascript, SASS, JQuery, React, Angular, PHP, Python, Wordpress, Squarespace, Adobe Creative Suite, UX/UI Design, Figma, Sketch
